Shoe Care Products

About Us

In 1975, Burhan KARABUL founded Mercan Chemical Co. in Istanbul as a family company and started to produce classic shoe polish.

In 1989, after a long R&D stage, the shoe care products has been launched under the brand name "SHOW", and instant shine shoe cream has been added to product range and further the company decided to expand the activities in foreign markets.

In 2006, following administration was given to sons of the founder; company name registered as "Burhanogullari Chemical & Plastic Co., Ltd." and the company expanded its products range and became a leading manufacturer in shoe care sector with young and dynamic staff.

In 2015, day by day growing export markets and capacity in company; the board have increased the kind of cooperation updated as "Burhanogullari Chemical S.A." and today "SHOW Shoe Care Products®" have been exporting via subsidiary company "EVO Foreign Trade S.A." to more than 50 countries all around the world and changing life style of consumers by bringing a fresh look in footwear.

Advantages of SHOW shoe care products®

- SHOW cream and liquid polishes will help soften and moisturize the leather, and protect it from drying out and cracking. And also remove the stains caused by rain, snow, ice and salt.
- SHOW suede & nubuck renovator spray products do not harden the leather surface and with pleasant fragrance useable in all places.
- SHOW shine sponge products are protected for the first user with special polish application, can be used for a longer period and shelf life expanded.

Environmental Consciousness

Burhanogullari Chemical is a company certified with ISO 9001-2008 certificate and aware of the social and environmental commitments. Our principal target is being friend of the natural life and giving great importance to the human health and the environment.

Our raw materials are imported from Germany and they are neither environmentally hazardous nor human health-threatening.

- SHOW cream and liquid polishes are water-based and produced with natural waxes.
- SHOW aerosol renovators are ozon friendly and do not contain chlorofluorocarbons(CFC).
- SHOW product's plastic and carton materials used in product packaging are 100% recyclable materials.

The quality and reliability of "SHOW Shoe Care Products®" are clinically tested and approved. They are in conformity to European Standards and Stockholm Convention on persistent organic pollutant norms.

Always new shoes...
